MARKET

100% OF YOUR PRIMARY MARKET

WHAT IS BRANDING?

Hammering towards Trade Name from manufacture company
e.g. 1) Bisleri is Company Name – we demand Bisleri always
2) Crocin is a Company Name & Paracetamol is Content

Why generic medicines are lower in cost?

Generic Medicines are lower in cost by 30% to 70% than branded medicine. Initially companies get patent from government regarding specific drugs, after expiry of patent any manufacturer can produce the same drug. Other manufacturers are not require to pay significant charges for patent.

It may differ but content are same & have same effectiveness as branded
